Mozambique Rovuma Venture

MOZAMBIQUE ROVUMA VENTURE S.p.A.

PUBLIC ANNOUNCEMENT FOR EXPRESSIONS OF INTEREST

Mozambique Rovuma Venture S.p.A. ("MRV") invites interested companies to submit their expressions of interest ("Expression of Interest") with service providers duly qualified to provide a reliable high speed fiber optic telecommunication service to the Afungi peninsula site north of Mocimboa da Praia, in Cabo Delgado, Northern Mozambique.

MRV wishes to ensure availability of an end to end low latency, high capacity network service to be leased to companies operating on the Afungi peninsula and potentially other end users in the region. MRV is looking for a service company to finance, design, build, own, operate and maintain the system. MRV is open to explore different viable commercial/execution options.

The site is located north of the city of Pemba at approximately 10°48'50" S and 40°32'00" E

Service providers must have at least five years of experience delivering and maintaining large scale Network Services Internationally both onshore and offshore.

SCOPE OF WORK

The scope of the work includes the following:

- Delivery of a Wide Area Network Telecommunications Service to the LNG facility at the remote coastal location in the Cabo Delgado province of Mozambique;
 - Wide Area Network Service should provide connections from the LNG facility to corporate offices in Maputo, Mozambique; Houston USA; Milan, Italy; and Leatherhead, UK;
 - The project is seeking 4x1Gb/s to connect back to corporate offices.
 - Subsea fiber system designed to deliver 4x100Gb/s;
 - Overall network designed to meet a service level availability of 99.999% with a Network Latency of:
- | Route | Network Latency Metrics Round-Trip |
|--------------------------|------------------------------------|
| Afungi - Maputo | <100 ms |
| Afungi - Houston, USA | <200 ms |
| Afungi - Leatherhead, UK | <100 ms |
| Afungi - Milan, Italy | <100 ms |
- Inclusion of at least one cable from Afungi to Dar es Salaam, Tanzania routed offshore. As part of the overall system and services provided, supplier will be responsible for maintaining all infrastructure and services supplied.

REQUIRED DOCUMENTS

Companies interested in this invitation may submit their Expression of Interest to participate in a tender process by providing the following information to: area4LNGContracts@xonmobil.com or com@xonmobil.com:

1. Conceptual plan for overall design and delivery of the systems and service including onward connections to corporate offices; include description of ongoing monitoring and support of the systems and circuits back to corporate offices;
