

PUBLIC TENDER N.º 35J001341/CP/001/2019 – Goods
Recruitment of Contractor for supply of draught animals for cassava small-scale farmers in Gaza and Inhambane Provinces

- Since October 2012, the Mozambican Government is implementing the Pro-poor Value Chain Development Project in the Maputo and Limpopo Corridors (PROSUL), co-financed by the International Fund for Agricultural Development (IFAD), aiming to support the development of 3 value chains (Horticulture, Cassava and Red Meat) in 21 districts of Maputo, Gaza and Inhambane Provinces, expecting to benefit 20,350 families, mostly smallholder farmers, during a period of seven (07) years. The Ministry of Agriculture and Food Security (MASA) is responsible for Project implementation. Within MASA, the Fundo de Desenvolvimento Agrário (FDA) acts as the Project Lead Agency ensuring PROSUL coordination, through a Project Management Team (EGP) based in Xai-Xai City, Gaza province.
- The Project goal is to contribute to the improvement of livelihoods and climate resilience of smallholders in selected districts of the Maputo and Limpopo Corridors. The Project development objective is to increase the income of small farmers from increased productivity, production and quality and market access in the three targeted value chains of the Project, namely horticulture, cassava and red meats.
- The Project comprises five (05) interrelated components, namely, Component 1 - Horticulture; Component 2 - Cassava, Component 3 - Red Meat, Component 4 - Financial Services; and Component 5 - Institutional Support and Project Management.
- With the aim of improving land preparation efficiency and contribute to the increase of production and productivity, under framework of promoting the development of the cassava value chain, the FDA, through the PROSUL PMT, intends to use part of the Project funds for the supply of draught animals for cassava small-scale farmers in the districts of Inharrime and Zavala, Inhambane province and Mandlakazi and Chongoene, Gaza province. The tender is structured in 3 lots as indicated in the bid document.
