CASP XVI:

Business Projects will be assessed at the CASP INVESTMENT SUMMIT

XVI CASP

INVESTMENT SUMMIT

As part of the XVI CASP - Annual Private Sector Conference, the CASP INVESTMENT SUMMIT will be held on March 13, 2019, as a platform that will bring together project developers, investment promoters and investors in the same space. The purpose is to allow them to interact and analyse different possibilities of financing.

At this stage, several investment projects designed by entrepreneurs from different areas can be submitted to CTA's Business Support Office (GAE), to be improved and subsequently sent to the different potential funding entities that will select the best ones for the discussion during the CASP INVESTMENT

SUMMIT in "board room sessions".

Participate in the CASP - INVESTMENT SUMMIT and discuss your projects and company expansion with development finance institutions such as:

- African Development Bank (AfDB)

- PROPARCO
- IDC - Industrial Development Corporation
- DBSA - Development Bank of Southern Africa
- TDB - Trade Development Bank
- CDC
- Third Way Africa
- FSD Africa
- SOFID

For more information about the CASP INVESTMENT SUMMIT, please contact us at: gae@cta.org.mz

XVI CASP:**PROPARCO confirms participation to discuss major investment opportunities**

PROPARCO, a subsidiary of AFD - Agence Française de Développement, focused on private sector development, as confirmed their participation in the CASP INVESTMENT SUMMIT, which will take place on 13 March 2019, During the XVI CASP at the International Conference Center Joaquim Chissano, in Maputo, to be held under the slogan "Improving the Business Environment to Accelerate Economic Recovery: Agribusiness as an accelerating factor!"

PROPARCO seeks investment opportunities in companies and financial institutions throughout Africa, Asia, Latin America and Middle East, seeking partnerships in key development sectors to boost the private sector's

contribution to achieve sustainable development goals adopted by the international community since 2015.

In the XVI CASP, the French financial institution intends to meet with companies operating in various sectors. Sign up

and meet the conditions and present your projects, with particular focus on the areas of banking and micro-finance, infrastructure, agriculture, agribusiness, health, education and tourism.
