- This Invitation for Bids follows the General Procurement Notice (GPN) for this project (Ref. Nr. UN-P/13/168-07/20) that appeared in UNDB online on 24 July 2020.
- Since May 2020, the Government of Mozambique is implementing the Inclusive Agri-food Value-Chain Development Programme (PROCAVA), co-financed by the International Fund for International Development (IFAD) through the Loan No. 2000003236 and Grants Nrs 2000003237 and 2000003626, with the aim of supporting the development of five (5) value chains (Horticulture, Cassava, Red Meat, Legumes and Poultry), in seventy-five (75) districts of all 10 provinces of Mozambique, targeting 180.500 households, mainly smallholder farmers, during ten (10) years.
- PROCAVA is implemented by the Ministry of Agriculture and Rural Development (MADER), being the Agricultural Development Fund (FDA), the entity for Programme coordination, which in turn, ensures daily programme management and implementation through a National Programme Coordination Unit (NPCU) based at its headquarters in Maputo city, Regional Programme Coordination Units (RPCU) based at FDA provincial Delegations (FDA-Del) of Gaza, Manica and Nampula provinces, and a Provincial Programme Coordination Unit (PPCU) in Niassa province.
- As to ensure the efficiency of the land preparation operations targeting smallholder farmers involved in the development of cassava and legumes value chains in Gaza and Inhambane provinces, FDA intends to apply part of PROCAVA funding for the supply and delivery of draught animals, implements, carts and accessories for smallholder farmers in the districts of Massingao, Morrumbene, Homoine, Jangamo, Inharrime, Zavala, Mandlakazi and Chongoene.
