

REQUEST FOR EXPRESSION OF INTEREST (REOI)

**RFQ Reference: MZ10_2025_131-REOI- Human Mobility
and Climate Change Consultancy – Mozambique 2025**

Date: 14 October 2025

**REQUEST FOR EXPRESSION OF INTEREST (REOI) for the provision of Human Mobility and Climate
Change Consultancy – Mozambique 2025**

Project Background:

Mozambique faces growing climate- and conflict-related displacement, with over 1.2 million people affected in the last five years. Ranked 16th in global disaster risk (INFORM 2024), the country is increasingly vulnerable to climate impacts. In response, IOM and the Government of Mozambique are implementing a project to strengthen community resilience by integrating human mobility into climate adaptation planning.

Purpose:

IOM invites individual consultants, teams, or firms to conduct gender-sensitive research and a policy gap analysis on the intersection of climate change and human mobility in Mozambique.

Objectives:

- Review national/local climate policies for human mobility integration.
- Conduct gender-sensitive field assessments.
- Provide recommendations to improve Local Adaptation Plans (LAPs).

Duration:

60 calendar days (30 working days) from contract start.

Supervision:

The consultant will report to IOM Mozambique and coordinate with government partners. IOM provides logistical and technical support.

Application Deadline:

20 October 2025

Email: rfpmoz@iom.int

Subject line: *EOI – Human Mobility and Climate Change Consultancy – Mozambique 2025*

Application must include:

Motivation letter, CV(s), technical & financial proposal, two samples of previous work, and two references.

The detailed Terms of Reference (ToR), including duration of assignment, required profile, **expected deliverables, supervision and support** and **application Process**, can be accessed here: <https://mozambique.iom.int/tenders>
